

KCFC Celebrates 20 Years at Annual Winter Meeting

Kentucky Clean Fuels held its annual winter meeting at Boone Tavern in Berea, KY on December 17, 2013. There they celebrated 20 years of work in the alternative fuels industry and recognized others in the Kentucky Commonwealth who continue to implement the use of clean alternative fuels. During the meeting 15 awards were presented for those

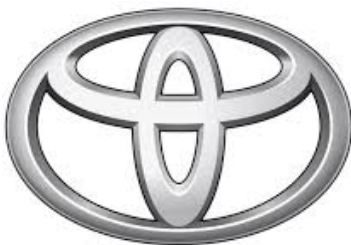

excelling in the the Green Fleets of the Bluegrass cornerstone project, as well as 5 awards to the top Hybrid school bus districts. Also in attendance was the U.S. Department of Energy Clean Cities Director Dennis Smith.
