KCFC Members Lead at Louisville Sustainability Summit

Members of the Kentucky Clean Fuels Coalition attended the Louisville Sustainability Summit on Saturday, January 18 at the Louisville Zoo. Coalition members from Waste Management, University of Louisville, TARC, M & M Cartage, and UPS came together at the first Sustainability Summit hosted by the Louisville Sustainability Council and the Louisville Metro office of Sustainability.

Alternative Fuels Data Center Federal Laws and Incentives

Federal Tax Credit Update

On December 31, 2013, a number of federal tax incentives expired, including:

- Alternative Fuel Infrastructure Tax Credit
- Alternative Fuel Excise Tax Credit
- Alternative Fuel Mixture Excise Tax Credit
- Biodiesel Income Tax Credit
- Biodiesel Mixture Excise Tax Credit
- Second Generation Biofuel Producer Tax Credits
- Second Generation Plant Depreciation Deduction Allowance

While tax incentives have been extended retroactively after their expiration date in the past, Congress has not passed legislation to do so.
