Office [606-678-2998](tel:606-678-2998)

Green Cab in Louisville

Not that long ago, we spotted a green taxi cab driving around downtown Louisville sporting an ear of corn on its side. Upon investigation, we found that Green Cab of Louisville (part of GUL Inc. Transportation) has been running E85 in its green-painted cabs since 2011.

Selections for Clean Cities Internships are in!

KCFC was selected to participate in the Clean Cities Workforce Development Program.
