[To Register Click Here](#)

This natural gas event will bring together industry and political leaders to discuss natural gas in Kentucky. Presenters will address current and future projects, legislation, and next steps. Click here to review the event [Agenda](#).

KAM Energy Conference

Emily Chandler, KCFC Data Specialist/Project Manager, and Tim Hughes, Director for the Division of Biofuels for the Kentucky Energy and Environment Cabinet, at the Kentucky Association of Manufactures (KAM) Energy Conference. The conference brings together manufacturers throughout the state to discuss energy issues, environmental requirements, and the impact of each on their operations.

Senate Agricultural Committee Approves Farm Bill

The Senate Committee on Agriculture, Nutrition, & Forestry reports: "The Agriculture Reform, Food and Jobs Act of 2012 reforms farm policy, consolidates and streamlines programs, and will reduce the deficit by \$23 billion. This bill saves taxpayers money while strengthening initiatives that help farmers, ranchers and small business owners create

American jobs."
