KCFC Fall Membership Meeting and UPS Worldport  
Tour

Kentucky Clean Fuels Coalition hosted our Fall Membership meeting on Tuesday, September 22 at UPS Worldport in Louisville, where members and coalition staff toured the facility.

Platinum Members

IC Bus Propane at Warren County Schools

Bluegrass International toured the Commonwealth with the new IC Bus propane school bus powered by the Power Solutions International (PSI) 8.8L propane engine and Allison 2500PTS transmission. The bus was on loan from International, and stopped at the school bus garages in Warren County, Laurel County, Johnson County, Hardin County, Henderson County, Graves County, and Boone County from September 14th through 25th. All districts were invited to send personnel to learn about and drive International's propane solution school bus. There was also representation from AmeriGas and Ferrellgas to

provide information about fuel availability and fueling station options.

## Kentucky LPG and CNG Event

**Date:** October 21, 2015  
**Time:** 9:00am-1:00pm  
**Location:** Berry Hill Mansion  
700 Louisville Rd  
Frankfort, KY 40601

The Kentucky Clean Fuels Coalition (KCFC) will be hosting a propane and natural gas workshop Monday, October 21st 9:00am - 1:00pm at Berry Hill Mansion in Frankfort, KY. This workshop will bring together industry and political leaders to discuss propane and natural gas in Kentucky. Selected fleets will be recognized for their efforts to increase natural gas and propane vehicle use in the state. Presenters will address current and future projects, legislation, and next steps.

## *About Us*

The Kentucky Clean Fuels Coalition was established in 1993 to provide the first alternative fuels resource for Kentucky educators, consumers and providers of alternative fuels/vehicles. It is now a successful non-profit 501C3 self-supporting organization and a national leader in the clean fuels market.
