Alicia Ellsworth
Computerized Accounting Services, Inc.
Suite 302A, Nolan Building
2100 Gardiner Lane
Louisville, KY 40205

KCFC has been serving Kentucky since its establishment in 1993. We are committed to being a fuel/technology neutral resource for Kentucky's fleets, educators, and consumers. We represent our state in the U.S. Department of Energy's Clean Cities Program.

KCFC members and individual supporters are vital to the coalition reaching our goals of improving air quality, investing in our local economy, and increasing energy security by reducing petroleum use and increasing the use of alternative fuels and advanced transportation technologies.

Kentucky Clean Cities Partnership Agreement

For Completion by Kentucky Clean Fuels Coalition Members

**Not required for individual supporter level

Please check boxes below that reflect your commitment to the organization.

_____ My organization/business commits to incorporating the use of alternative fuels/advanced transportation technologies in our fleet to the extent feasible.

_____ My organization/business commits to supporting the development of refueling, service and/or maintenance facilities for alternative fuel/advanced technology vehicles in the Kentucky.

_____ My organization/business will assist the Kentucky Clean Cities Partnership with increasing public awareness of the energy security and air quality benefits of alternative fuels, advanced technology vehicles and other Clean Cities strategies.

_____ My organization/business will assist the Kentucky Clean Cities Partnership by providing in-kind services, to the extent feasible.

_____ My organization/business commits to implementing idle-reduction measures and technologies and/or other petroleum reducing technologies to the extent feasible to reduce our fleet's petroleum consumption and decrease emissions.
